

Jyväskylä Ski Marathon's register and Privacy statement

Jyväskylä Ski Marathon complies with the EU Data Protection Directive (GDPR) in its operations.

We maintain an email list and a participant list. The contents of these registers can only be processed by the board of the organizing club and, if necessary, by them a person authorized by them (for example, event managers). Information is stored confidentially, and the information will not be shared or used for anything other than the operation of the event and for informing about it. The persons' information will be removed from the registers at their request - they are not deleted automatically.

If you want to remove your information from the registers of Jyväskylä Ski Marathon, send about it e-mail to [toimisto\(at\)skijyvaskyla.fi](mailto:toimisto@skijyvaskyla.fi) Mark the subject as "Personal information removal Jyväskylä Ski Marathon".

By participating in the Jyväskylä Ski Marathon, you agree that your name will be published in the competition results and the name cannot be removed from the results archive afterwards.
